Welcome to a CRUK-CI Bioinformatics Core course

- Please note – <u>NO food or drink</u> to be consumed in the E-learning Suite (We will have coffee and tea breaks (and cookies) served outside the room).

- There are no planned fire-drills so if we hear the alarm it is to be treated as a <u>real fire</u>.

- The toilets (including a disabled-access one) are located one floor down (Go down spiral stair-case near the reception & follow signs - basically left then left). There is a lift should you require it.

- Please switch mobile phones to Silent mode.
